## **Pat says:**

Thanks to Ian for getting the meets list out. Condolences to Julie who was unable to undertake her usual tasks.

There was a lively discussion at the Slubbers about where to go riding and when. If you don't attend these meetings regularly you might consider drop[ping in and putting in your ideas - especially if the meets always seem to be rather distant for you - as most folk are keen to try new venues but generally prefer to lead rides in their area.

Don't forget:

You can use any phone to view a brief version the club Meets List. This might be useful if, for instance, you arrive at the start and there is no-one there! The URL (web address) is:

**[www.pcorker.plus.com/wyrr.wml](http://www.pcorker.plus.com/wyrr.wml)** (Last letter is a small case "L")

You can enter and bookmark that URL on your phone.

The usual URL of: [www.pcorker.plus.com/page70.htm](http://www.pcorker.plus.com/page70.htm) may also work and perhaps be more suitable if you have a Smart Phone or PDA.

These folk sent me their newsletter which looked pretty exciting! Well, there are some pretty pictures, anyway!

Hi Pat,

Bet you thought I had died. But no, living in Bowness on Windermere. Cumbria. Not cycling at present but hoping to get back into it. Just found your website, thought I would drop you a line, please give my regards to any old members that might remember me. Might see you all next time you visit the lakes.

Regards

John Berry
