Simon Says:

Hi All

Attached is meets list

On Sun 16th if you want a ride then give Bob Hedley a ring before he goes away on Fri 14th and you can join him for a ride at Osmotherley. If you want you're welcome to join Bob for the whole weekend.

Tony is planning a trip to Glentress probably camping in Peebles for the weekend of 18-21 June. If you're interested let him know.

The wed night ride on the 9th of June is a joint ride with Sowerby Bros. from Mirfield and will include a curry afterwards. You'll have to pay for the curry and possibly a contribution to the ride. Come to the next Slubbers for details or give me a ring nearer the time. Should be a laugh.

My Sun 30 ride is a joint Sat/Sun ride so all vaguely welcome. Don't know if it will be from my house or somewhere else. Will decide nearer the time.

Simon

Fort William

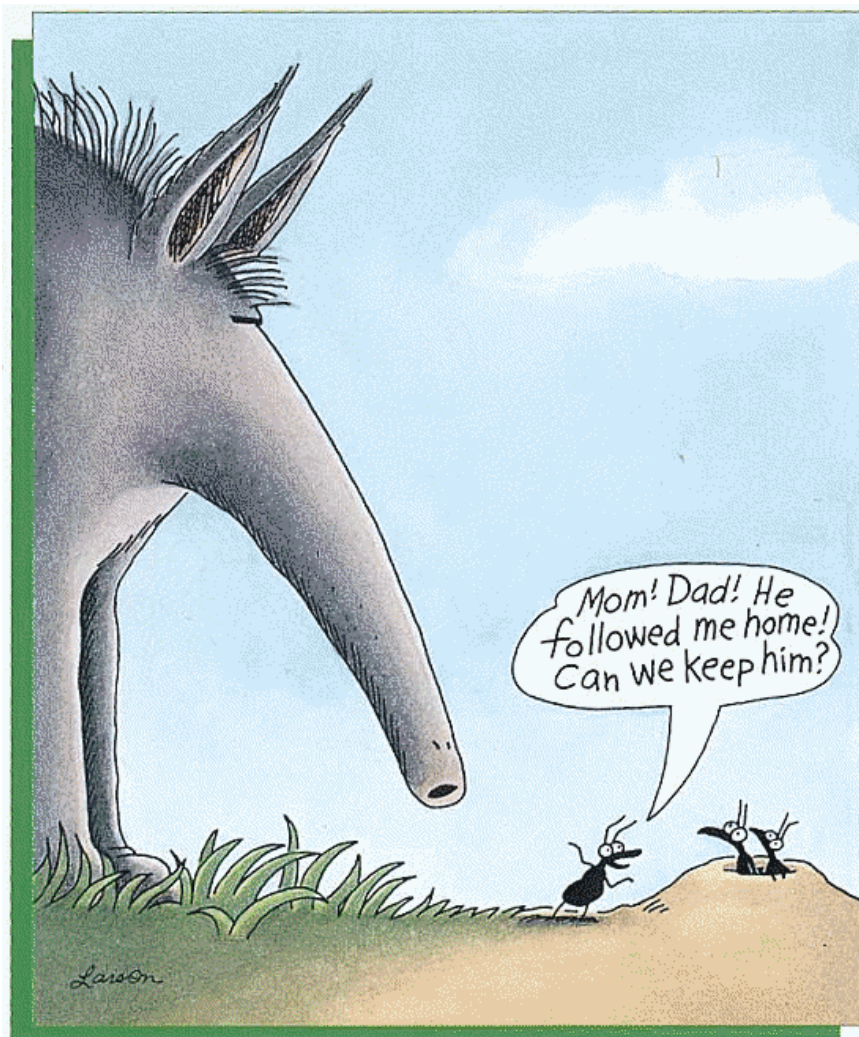

There's now only two weeks to go until the best riders in the world gather in Fort William for the UCI Mountain Bike World Cup, presented by Siemens Mobile.

So what's happening?

TV Coverage

BBC Sport Scotland have announced that they will be televising the World Cup this year. Two 50 minute programmes will be produced covering the finals of the downhill, cross country and 4-cross competitions. They will be broadcast on BBC2 Scotland on Sunday 6th June, 11.45pm (downhill, as live) and Monday 7 June, 11.20pm (overview of cross country and 4-cross). The programmes can be viewed outside the BBC Scotland area by anyone with Sky (Channel 960). This is a real boost for mountain biking and Fort William! Come along and be part of the best mountain bike crowd in the world then watch yourself on TV the same night!

childhood innocence

World Cup Madrid

Seems to have been totally ignored in UK.

Liam Killeen came 16th and Jenny Copnall 48th for GBR.
